## COVENANT FOR MAINTENANCE ASSESSMENTS

### **3.1 Creation of the Lien and Personal Obligation for Assessments:**

(a) Each Owner of a Parcel (by acceptance of a deed therefor, whether or not it shall be so expressed by any such deed or other conveyance), for each Parcel owned by any such Owner, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association (or to a mortgage company or other collection agency designated by the Association): (a) annual assessments or charges, to be paid in installments as the Board of Directors of the Association may elect, (b) special assessments for capital improvements and/or unanticipated expenses, such assessments to be fixed, established and collected from time to time as hereinafter provided, and (c) default assessments which may be assessed against an Owner's Parcel by the Association at any time and from time to time to reimburse the Association for costs and expenses incurred on behalf of such Owner by the Association in accordance with this Declaration. The regular annual assessments collected by the Association shall constitute the "Maintenance Fund" of the Association. The regular annual, special and default assessments, together with such interest thereon and costs of collection thereof as hereinafter provided (collectively "Assessments"), shall be a charge on the land and shall be a continuing lien upon each Parcel against which each such Assessment is made. Each such Assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be the continuing personal obligation of the person who was the Owner of such Parcel at the time when the Assessment became due.

(b) In addition to the Assessments, each Owner shall be obligated to pay to the Association, (i) at the time of the purchase by such Owner of his Parcel, a one-time assessment (the "Utility Assessment") to be maintained by the Association in a special fund (the "Utility Fund") for the sole purpose of constructing and installing underground the Utility Lines at such time as not less than eighty percent (80%) of the Parcels have been sold and conveyed by Declarant, and (ii) any supplemental assessment determined by the Board to be needed for the completion of the Utility Lines; provided, that those Parcels which are presently served by electric utility lines shall be exempt from the payment of such Utility Assessment to the extent that it applies to electric utility lines (but not to the extent that it is applicable to telephone transmission lines). If and to the extent that any amounts remain unused in the Utility Fund following the completion of the Utility Lines, then such unused amounts shall be refunded by the Board pro rata to the Owners who have paid the same.

**3.1 Purpose of Assessments.** The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Properties, and in particular for the payment of all costs and expenses related to Common Area Maintenance and the construction and installation of the Utility Lines, together with all services, equipment and facilities devoted to this purpose, including, but not limited to, the payment of all costs and expenses incurred for carrying out the duties of the Board as set forth in Article IV hereafter and for carrying out the purposes of the Association as stated in its Articles of Incorporation.

**3.3 Maintenance of the Common Areas By Declarant.** Until the Association makes a common expense assessment, the Declarant shall pay all common expenses. After the Association makes a common expense assessment, and until such time as Declarant has sold and conveyed all of the Parcels to third party purchasers, Declarant shall have the right (but not the obligation) at its election and its sole discretion, to assume the exclusive responsibility from time to time of maintaining the Common Areas and constructing and installing the Utility Lines in the name and on behalf of the Association, including, but not limited to, paying the costs of labor, equipment (including the expense of leasing any equipment) and materials required in connection therewith. All costs and expenses incurred by Declarant in connection with the maintenance of the Common Areas and the construction and installation of the Utility Lines as provided in the preceding sentence shall be obligations of the Association and reimbursed by the Association to Declarant, together with interest thereon at a rate equal to the national prime rate as published in the *Wall Street Journal* from time to time, plus two percent (2%) per annum (but not to exceed the highest lawful rate), as and when Assessments and Utility Assessments are collected from Owners. In this regard, and during such period, all Assessments, both regular and special, and all Utility Assessments collected by the Association shall be forthwith paid by the Association to Declarant, to the extent that such Assessments and Utility Assessments are required by Declarant to maintain the Common Areas and construct and install the Utility Lines as set forth in this paragraph. The Association shall rely upon certificates executed and delivered by Declarant with respect to the amount required by Declarant to maintain the Common Areas and construct and install the Utility Lines.

**3.4 Basis and Amount of Assessments.**

(a) Until the year beginning January 1, 1997, the annual Assessment shall be Two Hundred Dollars (\$200.00) per Parcel.

(b) Within thirty (30) days after the adoption by the Board of any proposed budget ("Budget") for the Properties, the Board shall mail, by ordinary first-class mail, or otherwise deliver a summary of, the Budget to all Owners and shall set a date for a meeting of the Owners to consider ratification of such Budget not less than fourteen (14) but no more than sixty (60) days after mailing or other delivery of the summary. Unless at such meeting a majority of all Owners shall reject the Budget, the Budget shall be deemed to have been ratified, whether or not a quorum is present. In the event that any proposed Budget is rejected, the periodic Budget last ratified by the Owners shall continue until such time as the Owners ratify a subsequent Budget proposed by the Board.

(c) Subject to the compliance by the Board with the Budget provisions of paragraph (b) above, commencing with the year beginning January 1, 1997, and each year thereafter, the Board, at its annual meeting next preceding such January 1, 1997, and each January 1 thereafter, shall set the amount of the annual Assessment for the following year for each Parcel, taking into consideration the current maintenance costs and the future needs of the Association; provided, that from and after January 1, 1997, in no event shall the annual

Assessment for each Parcel which is subject to being assessed for any year exceeds the annual Assessment levied by the Board for the immediately preceding year by more than ten (10%) percent except only in the case of unusual or extraordinary costs and expenses to be paid by the Association as determined from time to time by the Board.

(d) In addition to regular annual assessments set forth above and special assessments set forth in Section 3.5 below, each Owner shall be obligated, at the time of the purchase of a Parcel by such Owner and simultaneously therewith, to pay to the Association the sum of Fifty Dollars (\$50.00) as a one-time acquisition and transfer fee to reimburse the Association for its costs in connection therewith.

**3.5 Special Assessments for Capital Improvements.** In addition to the annual Assessments authorized by Section 3.4 above, the Association may levy in any Assessment year a special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, any unanticipated cost or expense related to the Common Areas or for the cost of any construction or reconstruction, unexpected repair or replacement, or a described capital improvement, including the necessary fixtures and personal property related to the Common Areas; PROVIDED THAT any such Assessment for capital improvements shall have the assent of the Members entitled to cast two-third (2/3) of the votes of the members of the Association entitled to vote who either (i) are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 2.2, or (ii) execute a written consent in lieu of a meeting for such purpose.

**3.6 Uniform Rate of Assessment.** Both regular and special Assessments shall be fixed at a uniform rate for all Parcels in the Properties; provided, that (i) no Parcel shall be subject to any Assessment until the date upon which such Parcel has been conveyed by Declarant to a purchase, (ii) Assessments for the payment of any common expense or portion thereof benefitting fewer than all of the Parcels shall be assessed exclusively against the Parcel Owners benefitted, and (iii) if any common expense is caused by the misconduct of any Owner, the Association may levy an Assessment for the payment of such expense exclusively against such Owner's Parcel.

**3.7 Date of Commencement of Assessments; Due Date.**

(a) The initial Assessment provided for in Section 3.4 above shall commence on the date fixed by the Board to be the date of commencement, and shall be paid in advance, on the first day of each period designated by the Board thereafter; provided, however, that if the date of commencement falls on other than the first day of a calendar year, the Assessment for such year shall be prorated by the number of days remaining in the year.

(b) The due date or dates, if it is to be paid in installments, of any special Assessment under Section 3.5 above shall be fixed in the resolution authorizing such Assessment.

**3.8 Duties of the Board with Respect to Assessments.**

(a) The Board shall fix the date of commencement and the amount of the Assessment against each Parcel for each Assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Parcels and Assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the Assessment shall thereupon be delivered or mailed to every Owner subject thereto.

(c) The Association shall, upon the request of any Owner, or of any holder of a security interest or lien upon any Parcel or its designee, furnish a written statement of unpaid assessments as required by §38-33.3-316(8) of the Act.

### **3.9 Effect of Non-Payment of Assessment: The Personal Obligation of the Owner, the Lien, Remedies of Association.**

(a) If any Assessment or any part thereof is not paid on the date(s) when due (being the dates specified by the Board pursuant to Section 3.7 above), then the unpaid amount of such Assessment shall become delinquent and shall, together with such interest thereon and the costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the Parcel of the non-paying Owner which shall bind such Parcel in the hands of the then Owner, his heirs, executors, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such Assessment, however, shall remain his personal obligation and shall not pass to his successors in title unless expressly assumed by them. No Owner may waive or otherwise escape liability for the Assessments provided herein by non-use of the Common Areas or abandonment of his parcel.

(b) In Furtherance of the Lien provided in Section 3.9(a) above, and to secure the full and timely payment of all Assessments and other amounts payable by each Owner hereunder, each Owner does hereby grant and convey unto the Public Trustee of the county in which such Owner's Parcel is situated (and shall be deemed to have granted and conveyed by acceptance of a deed to his Parcel), in trust as Trustee (the "Trustee"), the Parcel owned by such Owner, subject to all easements and other encumbrances affecting such Parcel; provided, that each such grant shall be subordinated to the lien of any mortgage or deed of trust only to the extent provided in Section 2.10 below; and for these purposes the provisions of this paragraph shall be deemed to have created a deed of trust (the "Deed of Trust") covering all of the Parcels with a power of sale granted to the Trustee in accordance with the applicable provisions of Applicable Laws. The Deed of Trust created hereby shall be upon the same terms and conditions, and shall provide to the Association all of the rights, benefits and privileges, or the statutory provisions of the State of Colorado relating to deeds of trust. The Association, acting through its president, shall have the right in its sole discretion at any time, and from time to time, to appoint in writing a substitute or successor trustee subject to and in accordance with the Colorado Revised Statutes §38-37-101 of the Colorado Revised Statutes and any amendments thereto,

which substitute or successor trustee shall succeed to all rights and responsibilities of the then acting Trustee, and to designate by written notice given to the Owners a different form of deed of trust which shall determine the rights, benefits and privileges of the Association created under this Paragraph (b).

(c) Without limitation of the remedies available to the Association and to the other Owners upon the occurrence of a default by any Owner in the payment of any Assessment or other amount due and payable hereunder, the Association may, at its election and by and through the Trustee or otherwise (i) foreclose its lien against the Parcel owned by such defaulting Owner in like manner as a mortgage on real estate, or (ii) to the extent permitted by the Act, sell or offer for sale the Parcel owned by the defaulting Owner to the highest bidder for cash at public auction in accordance with the provisions of the Applicable Laws. The Association may, at its option, accomplish such foreclosure sale in such manner as permitted or required by the Applicable Laws or by any other present or subsequent laws relating to the same. After the sale of any Parcel in accordance with the provisions of this paragraph, and subject to the applicable provisions of the Applicable Laws, the Owner of such Parcel shall be divested of any and all interests and claims thereto, and the proceeds of any such sale shall be applied in the following order of priority: (i) to the payment of the costs and expenses of taking possession of the Parcel, (ii) to the payment of reasonable Trustee's fees, (iii) to the payment of costs of advertisement and sale, (iv) to the payment of all unpaid Assessments and other amounts payable by such Owner to the Association hereunder, and (v) to the defaulting Owner or to any other party entitled thereto. The Association shall have the right to become the Purchaser at the sale of any Parcel hereunder and shall have the right to be credited on the amount of its bid therefor all of the Assessments due and owing by the defaulting Owner to the Association as of the date of such sale.

(d) If any Assessment or part thereof is not paid within thirty (30) days after the delinquency date, the unpaid amount of such Assessment shall bear interest from the date of delinquency at the maximum legal rate of interest, and the Association may, at its election, bring an action at law against the Owner personally obligated to pay the same in order to enforce payment and/or to foreclose the lien against the property subject thereto, and there shall be added to the amount of such Assessment the costs of preparing and filing the complaint (including reasonable attorneys' fees) in such action, and in the event a judgment is obtained such judgment shall include interest on the Assessment as above provided and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action. In addition to interest on delinquent amounts as set forth above, each Delinquent Owner shall be obligated to pay a late charge with respect to any Assessment which is not paid within thirty (30) days after the date due as determined from time to time by the Board.

**3.10 Exempt Property.** All areas reserved or dedicated to any public authority of the Declarant on each recorded plat of the Properties shall be exempted from the Assessments, charge and lien created herein.

(f) The Roads shall be maintained by the Association with a width of approximately sixty (60) feet and a minimum of sixteen (16) feet of driving surface, or in such other manner as the Board may determine from time to time.

The rights, powers and authority of said attorney-in-fact to exercise any and all of the rights and powers herein granted shall (i) be subject to any limitations contained in §38-33.3-217 of the Act, and (ii) commence and be in full force upon recordation of this Declaration in the County Clerk's Office in Fremont and Custer Counties.

**7.2 Duration.** This Declaration shall run with and bind the land subject to this Declaration, and shall inure to the benefit of and be enforceable by the Association and/or the Owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for an original fifty (50) year term expiring on the fiftieth (50th) anniversary of the date of recordation of this Declaration, after which time this Declaration shall be automatically extended for successive periods of ten (10) years unless an instrument is signed by the Owners of at least seventy-five percent (75%) of all Parcels within the Properties and recorded in the Deed Records of Fremont and Custer Counties, Colorado, which contains and sets forth an agreement to abolish this Declaration; provided, however, no such agreement [where approved by less than seventy-five percent (75%) of the Owners of all Parcels within the Properties] to abolish shall be effective unless made and recorded one (1) year in advance of the effective date of such abolishment. No termination of this Declaration shall, however, affect any easements granted or reserved pursuant to the terms hereof, all of which shall survive and continue in full force and effect thereafter.

**7.3 Amendments.** This Declaration expressly subject to change, modification and/or deletion by means of amendment at any time and from time to time as provided herein. This Declaration may be amended and/or changed in part as follows:

(a) In response to any governmental or quasi-governmental suggestion, guideline, checklist, requisite or requirement, particularly with respect to those entities or agencies directly or indirectly involved in, or having an impact on, project development, mortgage financing, mortgage insurance and/or reinsurance, Declarant shall have the complete and unrestricted right and privilege to amend, change, revise, modify or delete portions of this

Declaration, and each and every Owner and Member specifically and affirmatively authorizes and empowers Declarant, utilizing the attorney-in-fact status set forth in Section 7.1 above, to undertake, complete and consummate any and all such amendments, changes, revisions, modifications or deletions as Declarant (in its sole and absolute discretion) shall deem reasonable and appropriate.

The lien created hereby on each Parcel shall extend to, cover and secure the proper payment and performance by each and every Resident, Member, guest and invitee affiliated with each Owner. Unless otherwise prohibited or modified by law, all parents shall be liable for any and all personal injuries and property damage proximately caused by the conduct of their children (under the age of 18 years) within the Properties. Enforcement of this Declaration may be initiated by any proceeding at law or in equity against any person or persons violating or attempting to violate them, whether the relief sought is an injunction or recovery of damages, or both, or enforcement of any lien created by this Declaration, but failure by the Association or any Owner to enforce any Covenant herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association and the County are each specifically authorized (but not obligated) to enforce this Declaration. With respect to any litigation hereunder, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, from the non-prevailing party.

**7.5 Validity.** Violation of or failure to comply with this Declaration shall not affect the validity of any mortgage, bona fide lien or other similar security instrument which may then be existing on any Parcel. Invalidation of any one or more of the provisions of this Declaration, or any portions thereof, by a judgment or court order shall not affect any of the other provisions or covenants herein contained, which shall remain in full force and effect. In the event any portion of this Declaration conflicts with mandatory provisions of any ordinance or regulation promulgated by the County then such County requirement shall control.

**7.6 Headings.** The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration. Words of any gender used herein shall be held and construed to include any other gender, and words in the singular shall be held to include the plural and vice versa, unless the context requires otherwise. Examples, illustrations, scenarios and hypothetical situations mentioned herein shall not constitute an exclusive, exhaustive or limiting list of what can or cannot be done.

**7.7 Registration with the Association.** Each and every Owner, Member and Resident shall have an affirmative duty and obligation to originally provide, and thereafter revise and update, within fifteen (15) days after a material change has occurred, various items of information to the Association such as: (a) the full name and address of each Owner, Member and Resident; (b) the full name of each individual family member who resides within the residential dwelling of the Parcel Owner; (c) the business address, occupation and telephone numbers of each Resident; (d) the description and license plate number of each automobile owned or used by a Resident and brought within the Properties; (e) the name, address and telephone numbers of other local individuals who can be contacted (in the event the Resident cannot be located) in case of an emergency; and (f) such other information as may be reasonably requested from time to time by the Association. In the event any Owner, Member or Resident fails, neglects or refuses to so provide, revise and update such information, then the Association may, but is not required to, use whatever means it deems reasonable and appropriate to obtain such information and the offending Owner, Member and Resident shall become automatically jointly and severally liable to promptly reimburse the Association for all reasonable costs and expenses incurred in so doing.

**7.8 Notices to Resident/Member/Owner.** Any notice required to be given to any Resident, Member or Owner under the provisions of this Declaration shall be deemed to have been properly delivered when (i) deposited in the United States Mail, postage prepaid, addressed to the last known address of the person who appears as the Resident, Member or Owner on the records of the Association at the time of such mailing, or when (ii) delivered by hand or by messenger to the last known address of such person within the Properties, or when (iii) posted on the Association's bulletin board for at least thirty (30) consecutive calendar days.

**7.9 Notices to Mortgagees.** The holder(s) of a mortgage may be furnished with written notification from the Association of any default by the respective mortgagor/Member/Owner in the performance of such mortgagor's/Member's/Owner's obligation(s) as established by this Declaration, provided that the Association has been theretofore furnished, in writing, with the correct name and address of such mortgage holder(s) and a request to receive such notification and a reasonable supply of self-addressed, stamped envelopes.

**7.10 Disputes.** Matters of dispute or disagreement between Owners, Residents or Members with respect to interpretation or application of the provisions of this Declaration or the Association Bylaws, shall be determined by the Board. These determinations (absent arbitrary and capricious conduct or gross negligence) shall be final and binding upon all Owners, Residents and Members.

7.11 **Additions to the Properties.** The initial Properties made subject to the terms and provisions of this Declaration are the second phase of a development by Declarant which is anticipated to contain four phases; provided, that Declarant shall have no obligation whatsoever to add any additional phases to the Properties except in the sole and absolute discretion of Declarant. The remaining properties which Declarant shall have the right to add to the Properties in accordance with the preceding sentence are the properties described as Beckwith Mountain Ranch Filing No. 3 and Beckwith Mountain Ranch Filing No. 4, plats of which have been recorded in the offices of the Clerk and Recorder of Fremont and Custer Counties, Colorado (the "Additional Properties"). Declarant may from time to time add all or any portion of the Additional Properties to the concept of this Declaration by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, which extend the concept of the covenants, conditions and restrictions of this Declaration to such additional property; provided, however, that such Supplementary Declaration may contain such complimentary additions and additions to the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and are not inconsistent with the concept of this Declaration.

7.12 **Grazing Lease.** The Properties and this Declaration are subject to the terms and provisions of the Grazing Lease. As provided in the Grazing Lease, the rent payable under the Grazing Lease which is allocable to each sold Parcel (which is to be prorated on an acreage basis) shall, from and after the first day of the next succeeding calendar year following such sale, be paid by the Tenant to the Association. All such rents paid to the Association shall be deposited by the Association into the Maintenance Fund and shall thereafter be used by the Association in connection with the performance of its duties and obligations as determined from time to time by the Board. No Owner shall have any rights whatsoever with respect to any rents or other amounts payable under the Grazing Lease notwithstanding that the Grazing Lease shall continue to be applicable to such Owner's Parcel after the date of the closing of the purchase of such Parcel. Notwithstanding anything contained herein or in the Grazing Lease to the contrary, whether express or implied, each payment of rent and any other amount payable to the Association by Declarant under the Grazing Lease shall for all purposes be deemed to be a payment (pro rata) to the Owners of the Parcels covered thereby and a deemed contribution of such amount by such Owners to the Association. Each such deemed contribution by each Owner to the Association shall constitute a credit against, and be deducted from the Assessments due and payable by such Owner to the Association hereunder.
